To: City of Racine Parks and Rec,

The Downtown Racine Corporation is requesting the approval of a new event on Monument Square which will take place the last Thursday of June, July, August, and September. The new event, Racine Harbor Market, will be an open-air market selling fresh produce, arts, and other goods. In addition, there will be live music, to make the environment lively. We are partnering with the Kenosha Harbor Market, to bring in the vendors, as they have extensive knowledge of running a market.

We hope you consider the approval of this new, exciting event that will add vibrancy and have a positive economic impact on our community, while also providing fresh, healthy food options for our residents.

Respectfully,
