RE: Karl Jonas Statute

Dear Mayor Dickert and Members of the Common Council:

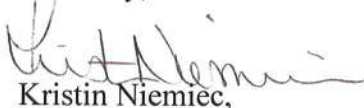

The purpose of this correspondence is to formally request permission to renovate the Karl Jones triangle at High Street and Douglas Avenue. The Douglas Avenue Business Improvement District (BID) would like to remove the existing planter and brick pavers and replace with landscape aggregate and three large flower planters.

The Douglas Avenue Redevelopment Association (DARA) and the BID have been planting flowers at this location for the past 6 year and would like the opportunity to upgrade the site even further. The BID Board feels this combined with the new banners to be installed will enhance this intersection tremendously.

Please refer this request to the appropriate City Committee.

If you have any questions regarding this request, please do not hesitate to contact me directly at 898-7404.

Sincerely,

Kristin Niemiec,

On behalf of the Douglas Avenue BID Board
