Dear Stacey,

I am writing on behalf of Real Racine to request the use of the former Walker's site for two purposes for our Ironman 70.3 Racine event on Sunday, July 21:

- 1) Storage for all race supplies and trucks during the week of the event (Monday, July 15 through Monday, July 22.) This lot will be monitored around the clock by Ironman staff personnel.
- 2) Parking for athlete and spectator vehicles on Sunday, July 21. The parking lot will be manned by volunteers assigned by Real Racine.

Real Racine understands that it will pay the city \$1.50 per vehicle that is parked in the lot on race day.

Thank you for your consideration and support in helping us make this event a success.

Thank you,

Kari
