Dear Ald. Holding

We are requesting authorization to submit a Focus on Energy Grant Application to WE Energies for the replacement of metal halide light fixtures at the Central Heating Plant with more energy efficient LED lighting.

The estimated project cost is \$19,000 and will result in an annual electric cost savings of \$2,440. The grant is in the estimated amount of \$1,241, resulting in an estimated 7.3 year payback.

Sincerely,

Thomas M. Eeg  
Asst. Comm. of Public Works/Operations
