To: Mayor J. Dickert and the Racine Common Council

From: Belle Harbor Lofts
134 Main Street #112
Racine, Wisconsin 53403

Belle Harbor Lofts is requesting that the parking meters on Second Street, both on the north side and the south side, be changed from two (2) hour limits to four (4) hour limit spaces.

We are asking this as means of making parking better for both our guests and for our residents.

Sincerely yours,

Joseph D. Steiner
