Item #09-4036

August 25, 2009

TO: Alderman Greg Holding, Chairman
Public Works and Services Committee

FROM: John Rooney
Assistant Commissioner/Engineering

RE: Proposal for Basin KK Dye Water Flooding

We have received a proposal from AECOM Technical Services to further identify the severity of inflow between the storm and sanitary sewers. The City of Racine is proceeding with dye water flooding of the storm sewer and concurrent CCTV of the sanitary sewer in pipes that are adjacent or cross the storm sewer in the part of Basin U that is tributary to Safety Site 10. The proposal is in the not-to-exceed amount of \$14,193 and funding is available in Account No. 287.989.5310, Sanitary Sewer, Various Locations.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
