Computer Assisted Mass Appraisal Software

Resolved, that the Purchasing Agent negotiate with Assessment Technologies for the acquisition of Market Drive Computer Assisted Mass Appraisal (CAMA) Software, and to authorize the Mayor and City Clerk to enter into an agreement with Assessment Technologies for the purchase of CAMA Software is approved.

Fiscal Note: Funds for this expenditure are available in 2021 Capital Plan, however, due to timing concerns that full implementation of the software must be complete by October 1, 2021, we would like to ask to enter into a contract in the last quarter of 2020 so that work can begin right after the budget is passed in November of 2020. Payments will not be made to the vendor until after the 2021 budget is passed.
