Re: Temporary Limited Easement for 1515 Winslow Street 2021006 - 2021 Assessable Streets and Alleys.

We are submitting the Temporary Limited Easement (TLE) for 1515 Winslow Street as a required alteration to the 2021 Assessable Streets and Alleys project. Revisions were required to the initial design of the alley bordered by Memorial Drive, Jones Street, Maple Street and Winslow Street. The TLE is required for grading and reconstructing a retaining wall separating the parcel of 1515 Winslow Street from the public alley.

Funds to defray the cost of the easement are available in Org. 45040 Obj. 57500.
