RE: Root-Pike Watershed Initiative Network

I respectfully request the Committee to receive and file the communication requesting permission to accept a grant (Grant Control #2007-029) from the Root-Pike Watershed Initiative Network.

The total grant amount is \$5,000, however we did not receive the matching \$30,000 grant from the Great Lakes Basin Program and therefore will not have the funding for the project.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. Rooney".

John Rooney
Asst. Commissioner/Engineering
