RE: Amendment No. 2, Contract 03-11 (K1-003), PS – Design Services for Repairs to  
Spring St. Bridge, Ayres Associates, consultant

We have received an amendment for the above contract in the lump sum amount of \$18,750.00. This amendment is for professional services for the construction administration and management for the mill and cast concrete overlay on the Spring St. Bridge.

The contract was approved under Resolution No. 10-2278 on November 16, 2010, in the amount of \$9,100.00. The contract amendment No. 1 was approved under Resolution 11-6172 on March 9, 2011, in the amount of \$2,900.00. Funding is available for both resolutions in Account 991.520.5010, Mill/Cast Overlay Spring Street Bridge.

If the Committee agrees, the appropriate action would be to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
