Mayor John Dickert
Members of the Common Council
730 Washington Ave.
Racine, WI 53403

Dear Mayor Dickert and Members of the Common Council:

Request that the Commission authorize the City of Racine to piggyback on the Kenosha contract with Gillig for the purchase of five new low-floor, 35' transit buses. Three of these buses will be purchased using American Recovery and Reinvestment funds, the other two with 2009 Federal 5309 grant formula funds.

Please refer this communication to the Transit and Parking Commission for review and consideration.

Sincerely,

Curtis Garner
Executive Director
