Tom,

Real Racine would like to request use of the property commonly known as the "Walker Site" for use as a parking lot and storage facility for several large events this summer. These include:

- July 6-19 Storage for World Triathlon Corporation for equipment and supplies to be used for the Ironman 70.3 Racine event on July 18 and spectator parking on the day of the race.
- July 31 Spectator parking for the AFLAC IronGirl Triathlon.

We will provide certificate of insurance and employ an area non-profit organization to help park cars for the events. In the past, we have charged \$5.

Please let me know if you have any questions.

Sincerely,

Dave Blank  
President/CEO  
Real Racine
