

BOARD OF HEALTH MEETING
September 13th, 2011

DEPARTMENT: Community Health

PREPARED BY: Teri Hicks, Director Community Health Programs

MONTH: August 2011

HIGHLIGHTS

Date	Meeting	Purpose	Outcome
August 1, 2011	Laura Zelinski, Nutritionist	Fill the nutritionist vacancy (since 1/11) which allows WIC to see more clients and decrease waiting times for new clients and/or missed appointments	Laura brings over 10 years of WIC knowledge / experience regarding nutrition. She also has her International Breastfeeding Certification of Lactation Consultant (IBCLC). Personnel are looking forward to future interactions.
August 1, 2011	Farmers Market and Cooking Demonstration by UW-Extension	Provide secondary education through cooking demonstrations to WIC clients.	Having the farmers outside City Hall gives clients the opportunity to use their FMNP checks in a convenient manner. A cabbage recipe highlighted a product that was available. Both the farmers / UW-Extension were pleased with client demonstration participation as well as produce sales.
August 3, 2011	<i>We're Better Together</i> Breastfeeding Campaign Event	The Kickoff of our month long campaign to raise awareness of the benefits of breastfeeding with emphasis on the support person for the breastfeeding mom and baby	Both Modine and WFHC were award recipients for being Breastfeeding Friendly Employers. Great event highlighting what employers can accomplish to provide breastfeeding friendly environments.
August 17, 2011	RHBHF End-of-Year Grants & Contracts (GAC) Review	Review the progress and completion of the RHBHF Program and to verify the program has completed all contracted objectives	The review initiated much conversation regarding completion of objectives and program outcomes. Review of the four objectives was not completed with additional meetings scheduled through September, 2011. This contract concluded June 30, 2011 and through the four years it was funded, provided an opportunity to expand nursing services.
August 31, 2011	Lead Draw Training and Review	Train and review lead draw procedures with WIC nutrition staff	Nutrition personnel were trained to perform capillary lead draws and reviewed the Policies & Procedures regarding the process. This service will be finalized in September allowing more flexibility within the clinic.
