

**Item 1128-25 Alderman Weidner**

**Department Impacted: Park and Recreation**

Remove \$50,000 increase to the Civic Centre contract and apply \$50,000 to the Zoo contract.

Fiscal Note: Reduce Subsidy in the Civic Center by \$50,000 and move it to the Zoo in the General Fund.

Note: The Additional \$50,000 was budgeted in Civic Center to cover the building utility costs, we would need another funding source to pay for the utility costs at the Civic Center or find another way to reduce costs of the Civic Center to pay for this amendment. **Therefore, this amendment violates Resolution #0567-25**
