To the Racine City Council:

I am writing on behalf of our Job's Daughters, Racine Bethel #22, to request a temporary no parking area during their annual craft fair, Sunday, August 7, 2011.

Specifically, we would like to have no parking until 4:00 PM on that date on:

West side of Main St. south from Tenth St. to our property line,
South side of Tenth St. from Main St. to Wisconsin Ave., and
East side of Wisconsin Ave. from Tenth St. to the entrance to our parking lot.

Thank you for your consideration of this matter,

Scott McClelland
