Administrative Manager

January 11, 2010

Mayor John Dickert
and the Common Council
City of Racine
Racine, Wisconsin

Ladies and Gentlemen:

As part of the construction of new water main on State Highway 20 (Washington Avenue) between Ninth Street and Center Street in 2010, in anticipation of a State paving project in 2011, we will need to close the street/state highway for a portion of time.

I respectfully request to appear before the Public Works and Services Committee to explain the request and to request that the Commissioner of Public Works submit the 30-day notice of permit to the State DOT to facilitate the closure of a State trunk highway within the city limits of Racine.

Sincerely,

Keith E. Haas, P.E.
General Manager
