Hello Nancy,

I would like to make a request on behalf of a constituent for stop signs on Carlton and Charles as well as Carlton and Carter.

Also, I would like to follow-up on the Erie St. request. The traffic commission deferred the Erie St. request until today.

If the traffic commission doesn't plan to take up the Erie St. request I would like to resubmit the request to have two stop signs one on Erie and South St. and one on Erie and Melvin.

Warmly,

Melissa
