Assistant Commissioner of Public Works/City Engineer

Re: Three-Party Agreement with the City of Racine, WisDOT and AECOM Technical Services for Design Engineering Services for State Project ID: 1693-34-06, Lake Michigan Pathway – Phase 4

We are submitting a three-party agreement between the City of Racine, WisDOT and AECOM Technical Services for the design engineering services for the above project. This agreement will provide design reports, environmental investigations, public involvement, survey, preliminary and final design, and road plans work.

This professional services agreement is in the not-to-exceed amount of \$80,492.78, with the City's share being \$16,098.56 (20%) and the State's share being \$64,394.22 (80%). There exists additional, pre-negotiated, "if authorized" services under the terms of the contract in the not-to-exceed amount of \$56,099.71, with the City's share being \$11,219.94 (20%) and the State's share being \$44,879.77 (80%). The "if authorized" costs do not require formal amendment to agreement with WisDOT. Funding is available in Org-Object 45040-57550, Lake Michigan Pathway – Phase 4.

If the Committee agrees, appropriate action would be to approve and authorize the Mayor and City Clerk to enter into the three-party agreement.
