To whom it may concern,

1/7/08

On July 19<sup>th</sup>, 2008 Redline Tavern establishment would again like to hold the 5<sup>th</sup> Annual benefit "Cruz in for the Cause," for the non-profit organization "SafeHaven of Racine." We are notifying you by this letter, of our intent to ask permission to hold it again. Please put us on the calendar for the Common Council.

As you may recall, last year we closed North Wisconsin St., between Hamilton and Hubbard. This annual event hosts 5 (five) live bands, located on the premise of 1201 N. Wisconsin St.-across from the Redline Tavern. Music will again start at noon and run till 7:30 p.m.. There will be the same set-up of tents, and the fire department will be notified. Food and beverages will be served. We will again contact the Racine Health Department for all necessary permits and inspections.

Since the inception of this event we have encouraged new tourism into Racine and brought our neighborhood closer together to help a worthy cause. Last year we had over 90 neighborhood volunteers to help with its success.

Please inform the necessary individuals for its approval and contact us if there are any questions at the above mentioned number. We are initiating this action ahead of schedule so our committees can proceed in other directions to offer an even grand event.

We at the Redline Tavern would like to extend our thanks and appreciation concerning this matter.

Respectfully,

Connie Nau
