CITY ATTORNEY

To The City of Racine

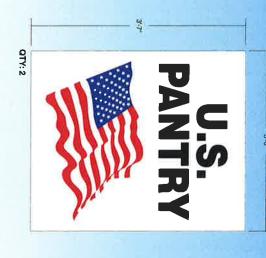

I would like to change the sign in front of my gas station (the US Pantry) at 1627 Washington Ave. There is a sign there now that does hang over the sidewalk but there was never a hold harmless agreement made between US Pantry and the City of Racine. I will be changing the sign that I have now to a sign that has a Electronic Gas price sign in it.

The new sign will hang over the sidewalk about 4 ft

Can you Help me get this agreement set up and in Place
