266-17

Hello Nancy,

Could you please place this on the next Traffic Commission meeting agenda (4/17)?

Kranz corporation is looking for assistance regarding issues with pedestrians safely crossing DeKoven Avenue near Hickory Grove Avenue. With the bend in the roadway, it becomes difficult for pedestrians to cross traffic, much like the situation that we had next to City Hall on Washington Avenue near Center St.

We are basically looking for a similar solution in the form of a painted and posted crosswalk.

I will extend an invitation to Mr. Neubauer for the meeting. (I have cc'd him on this email)

I have included some pics (below) that were forwarded to me by the Chief to help illustrate the location and issue.

Thank you,

Dave
