Res.08-1085 RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF \$7,680,000 GENERAL OBLIGATION REFUNDING BONDS

WHEREAS, the Common Council of the City of Racine, Racine County, Wisconsin (the "City") hereby finds and determines that it is necessary, desirable and in the best interest of the City to raise funds for the purpose of paying the cost of refinancing certain outstanding obligations of the City, to wit: the \$7,600,000 Note Anticipation Notes, dated July 22, 2008 (the "Refunded Obligations") (hereinafter the refinancing of the City's Refunded Obligations shall be referred to as the "Refunding"), and there are insufficient funds on hand to pay said cost; and

WHEREAS, the Common Council deems it to be necessary, desirable and in the best interest of the City to refund the Refunded Obligations for the purpose of providing permanent financing for the projects financed by the Refunded Obligations; and

WHEREAS, cities are authorized by the provisions of Section 67.04, Wisconsin Statutes, to borrow money and issue general obligation refunding bonds to refinance their outstanding obligations; and

WHEREAS, it is the finding of the Common Council that it is necessary, desirable and in the best interest of the City to authorize the issuance of and to sell general obligation refunding bonds to Robert W. Baird & Co. Incorporated (the "Purchaser"), pursuant to the terms and conditions of its bond purchase proposal attached hereto as Exhibit A and incorporated herein by this reference (the "Proposal").

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City that:

Section 1. Authorization and Sale of the Bonds. For the purpose of paying the cost of the Refunding, there shall be borrowed pursuant to Section 67.04, Wisconsin Statutes, the principal sum of SEVEN MILLION SIX HUNDRED EIGHTY THOUSAND DOLLARS (\$7,680,000) from the Purchaser in accordance with the terms and conditions of the Proposal which is hereby accepted and the Mayor and City Clerk/Treasurer or other appropriate officers of the City are authorized and directed to execute an acceptance of the Proposal on behalf of the City. To evidence the obligation of the City, the Mayor and City Clerk/Treasurer are hereby authorized, empowered and directed to make, execute, issue and sell to the Purchaser for, on behalf of and in the name of the City, general obligation refunding bonds aggregating the principal amount of SEVEN MILLION SIX HUNDRED EIGHTY THOUSAND DOLLARS (\$7,680,000) (the "Bonds") for the sum set forth on the Proposal, plus accrued interest to the date of delivery.

Section 2. Terms of the Bonds. The Bonds shall be designated "General

Obligation Refunding Bonds"; shall be dated December 9, 2008; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; shall bear interest at the rates per annum; and shall mature on December 1 of each year, in the years and principal amounts as set forth on the schedule attached hereto as Exhibit B and incorporated herein by this reference (the "Schedule"). Interest is payable semi-annually on June 1 and December 1 of each year commencing on June 1, 2009. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.

Section 3. Redemption Provisions. The Bonds maturing on December 1, 2019 and thereafter shall be subject to redemption prior to maturity, at the option of the City, on December 1, 2018 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the City and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption. If the Proposal specifies that any of the Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment hereto as Exhibit MRP (the "Mandatory Redemption Provisions") and incorporated herein by this reference.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit C and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the City are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the City a direct annual irrepealable tax in the years 2008 through 2021 for the payments due in the years 2009 through 2022 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the City shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the City and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the City for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for \$7,680,000 General Obligation Refunding Bonds, dated December 9, 2008" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. The City Clerk/Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the City at the time of delivery of and payment for the Bonds; (ii) any premium which may be received by the City above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the City, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the Common Council directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the City and disbursed solely for the purpose for which borrowed or for the payment of the principal of and the interest on the Bonds. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose for which the Bonds have been issued has been accomplished, and, at any time, any monies as are not needed and which

obviously thereafter cannot be needed for such purpose shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the City, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The City represents and covenants that the projects financed by the Bonds and by the Refunded Obligations and their ownership, management and use will not cause the Bonds or the Refunded Obligations to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk/Treasurer or other officer of the City charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Bonds; Closing. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk/Treasurer, authenticated, if required, by its fiscal agent, if any, sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the

same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing.

Section 11. Payment of the Bonds. The principal of and interest on the Bonds shall be paid in lawful money of the United States of America by the City Clerk/Treasurer.

Section 12. Persons Treated as Owners; Transfer of Bonds. The City shall keep books for the registration and for the transfer of the Bonds. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the City Clerk/Treasurer, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk/Treasurer shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the City Clerk/Treasurer shall record the name of each transferee in the registration book. No registration shall be made to bearer. The City Clerk/Treasurer shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk/Treasurer are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 13. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the City and on file in the City Clerk/Treasurer's office.

Section 15. Official Statement. The Common Council hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the City in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate City official shall certify the Preliminary Official Statement and any addenda or Final Official Statement. The City Clerk/Treasurer shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 16. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

The City Clerk/Treasurer, or other officer of the City charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 17. Payment of the Refunded Obligations. The Bonds are being issued to refund the Refunded Obligations on their December 15, 2008 maturity date. Proceeds of the Bonds shall be applied to payment of the Refunded Obligations on that date.

Section 18. Record Book. The City Clerk/Treasurer shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 19. Bond Insurance. If the Purchaser of the Bonds determines to obtain municipal bond insurance with respect to the Bonds, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The Mayor and City Clerk/Treasurer are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Mayor and City Clerk/Treasurer including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Common Council or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Fiscal Note: It is anticipated that General Obligation Bonds totaling \$7,680,000 maturing over a 15 year period will be issued.
