Re: Solid Waste Building  
Concrete, Earthwork and Trench Drain Project

Dear Ron,

We offer this budgetary proposal to provide the necessary labor, material, equipment and supervision for work outlined below.

- 1) Slab removal, excavate 24" deep of bad soil and replace with clean aggregate - \$90,000 - \$100,000.
- 2) Concrete slab 10" thick unreinforced and bollards - \$75,000 - \$85,000.
- 3) Plumbing trench drain, catch basin, cleanouts and sanitary connection - \$40,000 - \$50,000.
- 4) Sanitary lateral tie-in at Marquette Street - \$35,000 - \$40,000.
- 5) General conditions; soil and concrete testing services as we excavate and pour concrete, supervision, layout and subcontractor coordination - \$10,000 - \$15,000.
- 6) Contractor's fee at 8%, approximately \$20,000 - \$22,000.
- 7) The overall budget for this project is somewhere between \$270,000 - \$300,000.

Thank you for giving Absolute Construction Enterprises, Inc. the opportunity to quote on your construction needs. If you should have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

*Mike Wiedenbeck*
