RE: Course Approval for 1st Annual Marina Mayhem 5K/10K Challenge

Dear Mayor Becker and Council Members:

On behalf of the Anchor Fitness, I respectfully request that the City of Racine allow us to use the following parks, streets and bike paths in the City so that we may hold our **First ANNUAL Marina Mayhem 5k/10K Challenge** event on **Sunday September 25, 2011 from 6:30am until 11:00am**. I am also attaching a copy of the proposed event run routes and general area on the Beach where our activities will be conducted. We are aware that the course would create a cost for street closure of the Columbus Causeway and we would like to cone-off a lane section of curve on Dodge Street near the Chartroom Restaurant (we will allow access to the restaurant parking area). Otherwise, we will keep all event participants on the sidewalks and on the Harborwalk. We accept this and will pay any street closure and police protection costs associated with our event.

For both the 5K and 10K courses the streets, parks and bike paths involved include:

- Along the bike path South from the Children's play area at North Beach to Reichert Court
- One lane of Reichert Court West
- One lane on the East and South side of the curve at the East end of Dodge Street to the Southside (east-west) sidewalk to the bridge
- The east side of the main street bridge sidewalk
- The Harborwalk (East along the river and South along the marina) from the South side of the Main Street Bridge to the Christopher Columbus Causeway
- East on the Christopher Columbus Causeway to the lookout point
- West along the sidewalk bordering the South side of the marina to the Christopher Columbus Causeway
- West on the Christopher Columbus Causeway to the entrance to the Harborwalk East of the Condominium towers
- Re-trace the course back to the Oasis bath house at North beach

For the 10K an additional section will include:

- The bike path from behind the Festival Park sidewalk entrance (Northeast corner of the site) all the way to Sam Myers Park and returning to the causeway on the bike path.

Even though there will be event traffic on these paths, we will NOT ask that the path be closed to non-participating individuals/families wishing to use the path. We will have course marshals along the way to ensure safe passage for all event and non-event persons. In addition we will not block access to North Beach common areas.

I wish to present this proposal to the appropriate committee at its next regularly scheduled meeting.

Thank you and I look forward to your response.

Sincerely,

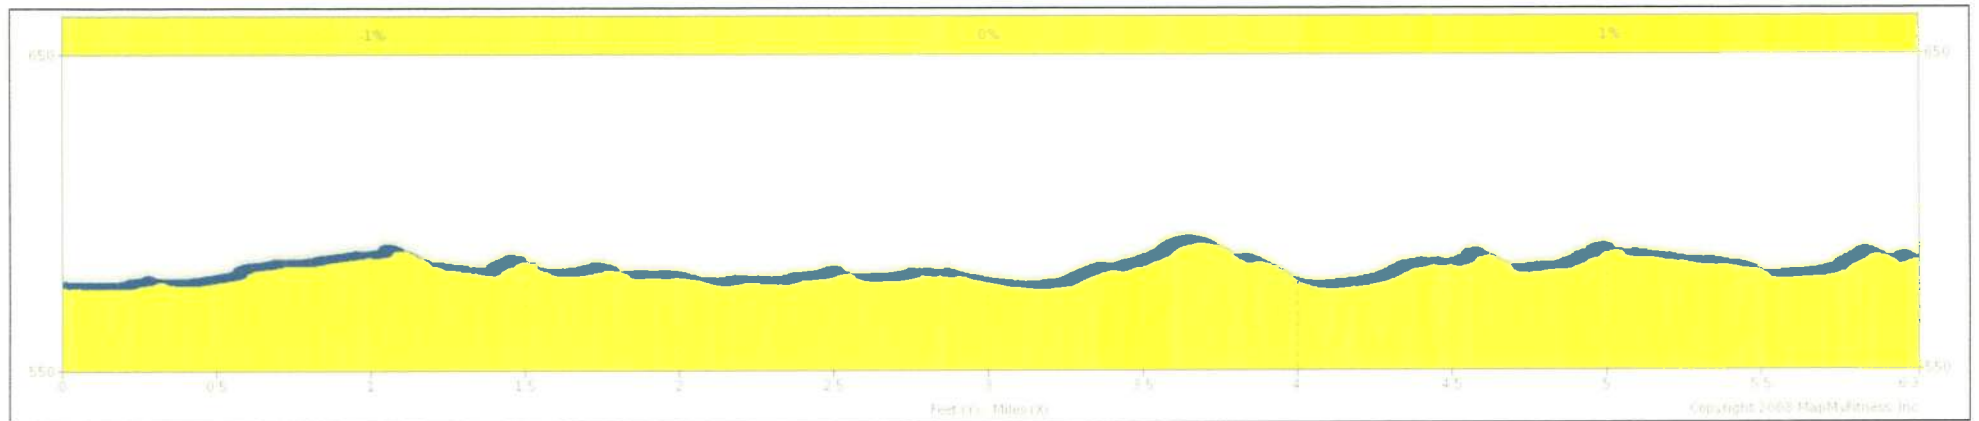

Lisa Cohan
Anchor Fitness
