Michael Glasheen
City Transit Planner
City of Racine
730 Washington Avenue
Racine, Wisconsin 53403

Dear Mr. Glasheen:

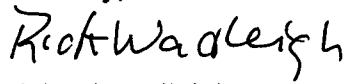

I am writing to let you know that the Kenosha Racine Bike Club will donate \$1500 to the City of Racine for the purchase of bike racks for city buses. The funds are from the proceeds of the *Kenosha Racine Bike Club Annual Two Wheels for Two Counties* bike ride, which took place on May 20, 2006 in Waterford, WI.

Our ride was extremely successful and we raised over \$6900. In keeping with the *Two Wheels for Two Counties* theme, the KR Bike Club will donate the proceeds to municipalities and organizations that work to improve bicycling activities and infrastructure in Racine and Kenosha counties. The funds will be divided among the Bike Federation of Wisconsin (\$114), the Hayes OnTrack Youth Cycling Team (\$1700), the cities of Racine and Kenosha (\$1500 each), the Village of Waterford (\$1200), and the Waterford Union High School bicycling club (\$300).

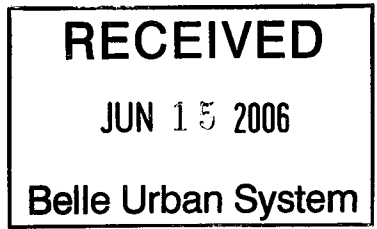

We could not run a successful fund raising ride without the help of the businesses and organizations that sponsored the ride or donated items for the silent auction. A list of sponsors and donors appears on our website, www.krbikeclub.com.

We would like to send the funds to the City of Racine as soon as possible. Would you give our treasurer, Cathy Hicks (262-939-1577, artcathy@wi.rr.com), the information needed to transfer the donation to the City of Racine?

Sincerely,

Richard Wadleigh
President
Kenosha Racine Bike Club
(262-681-1368, rwadleigh@wi.rr.com)
