**Importance:** High

Good Afternoon Mr. Rooney,

I would like the following item placed on the Traffic Commission agenda for March 19, 2018.

Mrs. Diane Anderson would like to modify the 1600 block of Main Street parking to be consistent with the 1400 and 1500 blocks (one way traffic going north). The 1600 block has two way traffic which dead ends at Carre - Hogle Park, 1699 Main Street. She believes this will better serve the residents in this block and would also make it easier for snow plowing and street cleaning. This will also ensure that emergency vehicles will have access since the 1600 block is narrow than the two-way traffic beginning at 14th and Main going north.

Please invite Mrs. Anderson to the meeting. Her address is 1638 Main Street, Racine, WI 53403.

Regards,

Mollie Jones
