RE: Signal Agreement for Oakes Road

Attached is Traffic Signal Maintenance Agreement from the Village of Mt. Pleasant for the traffic signals at Oakes Road and Sixteenth Street. The Village of Mt. Pleasant will maintain the signals, and the City of Racine will be responsible for 25% of all emergency and routine maintenance cost for the signals and street lights.

Funding is available in Account 101.600.555, Repairs and Maintenance.

The City of Racine will also be responsible for 25% of the utility cost with funding from Account 101.600.5510, Utilities.

If the Committee agrees, appropriate action would be to authorize the Mayor and City Clerk to enter into an agreement with the Village of Mt. Pleasant.
