Asst. Comm. of Public Works/Operations

John C. Rooney, P.E.  
Asst. Comm. of Public Works/Engineering

August 28, 2007

Ald. Ronald D. Hart  
Chairman, Public Works  
and Services Committee  
Racine, WI

Dear Ald. Hart:

The City's consultant for the reconstruction of Ohio Street from 21<sup>st</sup> Street to 16<sup>th</sup> Street has submitted a right-of-way plat for property acquisition for the project. The right-of-way plat must be formally approved by the City as the first step to acquire property for this roadway project.

In addition, the values as established by the City Assessor will be used as the basis for the acquisitions of the necessary temporary limited easements.

It is further necessary to authorize the City Attorney and Commissioner of Public Works to take the necessary steps to facilitate the acquisition of the 22 TLE which are required to be obtained before the project can proceed to construction.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. Rooney".

John C. Rooney  
Asst. Comm. of Public Works/Engineering
