RE: Professional Services Agreement between the City of Racine and WE Energies – Sanitary
Sewer Relay Project at 233 Lake Avenue

We are submitting a Professional Services Agreement from AECOM for the analysis, design and construction services for the abandonment study for sanitary sewer on the WE Energies property located at 233 Lake Avenue, and for the sanitary sewer relay work required on Lake Avenue, between 3rd Street and 4th Street, for said abandonment.

The agreement is in the not-to-exceed amount of \$29,990.00. Funding for the work will be paid for by WE Energies. The agreement to fund this Professional Services Agreement is being considered under Item 11-6295.

If the Committee agrees, the appropriate action would be to have the Mayor and City Clerk enter into the agreement.
