Re: City of Racine Summer Youth Jobs Program entitled: Remodeling Assistance Partnership Program

On November 5, 2008, Resolution No. 08-1076, \$65,230 of Community Development Block Grant Funds were allocated for the City of Racine Summer Jobs Program. First Choice Pre-Apprenticeship will coordinate the program and receive \$25,230 for program supplies and for stipends for site supervisors.

The final component of the program is the hiring of the youth. There is \$40,000 in the program's budget to hire 20 youth. I am asking permission to have the City hire 20 youth for the summer program. If you have questions, please feel free to contact me at 262-636-9450.
