Re: Three-Party Agreement with R.A. Smith National, WisDOT and the City of Racine for Design Engineering Services for State Project ID: 2260-08-00, Durand Avenue (STH 11) – Kearney Avenue to Sheridan Road (STH 32)

We are submitting a three-party agreement between R.A. Smith National, WisDOT and the City of Racine for the design engineering services for the above project. This agreement will provide preliminary and final design services for the reconstruction of Durand Avenue from Kearney Avenue to Sheridan Road. These services will provide design reports, environmental documentation, agency coordination, railroad/utility involvements, public involvement, meetings, surveys soils and subsurface investigations, road plans, plats, and evaluation for traffic improvements.

This agreement is in the not-to-exceed amount of \$369,318.14, with the City's share being \$92,329.54 (25%) and the State's share being \$276,988.60 (75%). Funding is available in the 2015-2024 CIP.

If the Committee agrees, appropriate action would be to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
