RE: Proposal for Underground Facility Locating Services

We have received a proposal from Precise Underground Marking Corp., Milwaukee, Wisconsin, to mark underground street lighting and traffic signal infrastructure in 2009. The proposal is for a per ticket price of \$11.50 per locate and a rate of \$6.25 per quarter hour, for any locate that exceeds 60 minutes. The fuel surcharge will be deleted from this proposal as well. The estimated cost of these services is \$35,000. Funding is available in Account No. 101.590.5610, Street Lighting, Professional Services.

If the Committee agrees, they should move to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement, and up to four (4) one-year extensions.
