Re: Amendment to Resolution 0471-23 – Jonathon Drive Assessment.

On behalf of Chairperson Alder Jones and the City Engineer, DPW Staff recommends the proposed amendment to the Resolution # 0471-23, which was approved by City of Racine - Common Council on May 16, 2023. Recommendation for the amendment is to reflect the actual motion passed during the Public Works and Services Committee held on May 8, 2023 – eliminating Jonathan Drive from consideration of any assessable improvement to the roadway.

We would like to DELETE the following:

- Under: **BITUMINOUS CONCRETE PAVING**; **Jonathon Drive** – Cul-de-sac to North Main Street

Please note that if committee and council agree, these changes can take effect immediately.

There is no fiscal obligation for the City to amend Resolution # 0471-23.

If the Committee agrees, the appropriate action would be to approve the amendment to the Resolution as described.
