Mr. Tim Hermes
1432 Ann St.
Racine, WI 53403

Dear Mr. Hermes:

I am writing to request your assistance in rectifying a danger to the community and to increase safety in the area East of Park High School. Specifically, I would like your help to increase street lighting on Valley Drive south of 12th street to Washington Avenue, on 13th Street east of Valley Drive and on Bluefields Drive west of Valley Drive. This area has been the location of violence following evening events at Park High School. With additional lighting the safety in this area will be much improved.

Anything you can do to help with this problem will be much appreciated.

Sincerely,

John A. Scott
Directing Principal

The Honorable

Mayor + City Council.

Communication from
Principal John Scott.
