Assistant Commissioner/Engineering

RE: Proposal for Construction Management for Storm and Sanitary Sewer Lining

We have received a proposal from Earth Tech for Construction Management Services for the 2008 Storm and Sanitary Sewer Lining. This proposal is for following the contract and all incidentals that go with the construction management. The proposal is in the not-to-exceed amount of \$65,850 and funding is available in the following accounts:

<u>Account No.</u>	<u>Description</u>	<u>Amount</u>
104.987.5420	Storm Sewer, Misc. Location	\$ 25,681.50
987.907.5310	Sanitary Sewer, Var. Location	<u>40,168.50</u>
	Total	\$ 65,963.00

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
