as submitted by the Commissioner of Public Works, be considered for the reconstruction with Portland Cement Concrete Paving for the 2025 Construction season (2024 Public Hearings) and that a preliminary resolution be introduced.

Fiscal Note: This is an assessable alley project and, therefore, all costs will be paid by the abutting property owners.

If the Committee agrees, the appropriate action would be to approve the preliminary resolution to start the assessable process of a Public Hearing for the alleys listed above.
