

Dear applicant:

Your records check came back with the following convictions:

<u>Year</u>	<u>Offense</u>
-------------	----------------

2013 – Present	Numerous arrests and convictions, none of which were listed in his application
----------------	--

Based on the above conviction(s) and the City's Policy Guidelines for Arrest and Conviction Records Related to Alcohol Beverages Licenses, you are presumably disqualified for an alcohol beverage license.

This matter will now go before the Public Safety and Licensing Committee on **September 25, 2024, at 5:00 p.m., City Hall, Room 207B**, for a hearing on your license application. Your appearance at this meeting is mandatory and failure to attend may result in denial of your license application. At the hearing, the Committee will review documented evidence of rehabilitation:

You are required to submit documentation by 5:00 p.m. on the Thursday before the Committee meeting to show that you are fit to hold this license. This can be as simple as a letter from your employer/future employer stating that they are aware of your criminal conviction(s) and that they are willing to vouch for you. If this cannot be done, you may submit any of the following as evidence of rehabilitation:

- A certified copy of honorable discharge or separation under honorable conditions
- A copy of local, state or federal release document (from the Department of Corrections or your parole or probation agent) showing discharge from incarceration or probation/parole
- A copy of the department of correction's document showing completion of probation, extended supervision or parole
- Other evidence showing that one year has elapsed since release of institution without subsequent conviction of a crime along with evidence showing compliance with all terms of probation, extended supervision or parole.
- Evidence of the nature and seriousness of any offenses convicted
- Evidence of all circumstances relative to the offense, including mitigating circumstances or social conditions surrounding the commission of the offense
- The age of the individual at the time of the offense
- The length of time elapsed since offense committed
- Letters of reference by persons who have been in contact with the individual since the applicant's release
- Other relevant evidence of rehabilitation and present fitness presented

Failure to submit the required documentation by the above deadline may result in your application being deferred or moved to the next Committee agenda. Please contact us with any other questions.

Thank you.
