Re: State of Wisconsin DNR Waterways Commission Financial Assistance Grant –
Navigational Aids (Grant Control No. 2013-013)

I respectfully request, on behalf of the Racine Harbor Commission, authorization to apply for the State of Wisconsin DNR Waterways Commission Financial Assistance Grant for navigational aids that were vandalized over the winter in the small boat basin (Grant Control No. 2013-013).

The navigational aids are estimated at \$3,346.00. The grant provides matching funds up to 50% of the project cost with an additional 10% for municipalities that conduct a boating safety and enforcement and education program approved by WisDNR.

Funding for the local share for this project is available in Account 215.000.5750, Land Improvements.
