Re: Amendment No. 1 on Contract 06-11 (K1-006) – PS 2011 DPW/Engineering IT Support
On-Call, AECOM, Consultant

We are submitting Amendment No. 1 on the above contract in the not-to-exceed amount of \$15,000. The amendment includes on-call services for GIS elements, database elements or any other IT-related consultation in support of the Public Works and Engineering Departments.

The original contract was approved in the not-to-exceed amount of \$25,000 under Resolution No. 10-2347 of December 21, 2010. The revised total cost of the project is in the not-to-exceed amount of \$40,000. Funding is available in Account 943.130.5020 – Engineering, GIS Layers.

If the Committee agrees, the appropriate action would be to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
