Honorable Mayor and Members of the Common Council
City of Racine
Racine City Hall
730 Washington Avenue
Racine, WI 53403

Dear Mayor and Council Members:

I hereby request permission to accept funding and to authorize the Mayor and City Clerk to enter into an agreement with the WI Coastal Management Program. Funding will be used to determine the variability in recovery of bacterial DNA versus viable bacterial indicator colonies with respect to storm water discharge, wastewater effluent, and ambient lake water in order to determine what implications the adoption of real-time testing technology may have on regulatory samples.

The amount of funding is \$21,940 and there is a 50% in-kind soft match required on the part of the city. Permission was previously granted to apply and resolution number 6754 is attached for your review.

Respectfully submitted,

Janelle M. Grammer
