EXTERIOR VIDEO SURVEILLANCE - UPDATED (S-2219)

Site: Racine Public Library

Pricing summary: \$24,523.81 to \$32,951.30

Provide and install exterior video surveillance cameras as detailed below.

Base: 7 Cameras consisting of four Multi-head Panoramic cameras, 3 dome cameras for commonly used doors.

PoE network ports in library to be supplied by end user. Cameras that require PoE++ are supplied with their own 60W injector.

Lot Option: Add Point to point wireless network to new network hub in the parking lot to support a single Multi Head panoramic camera to view general parking area. This will require constant 110-240v supply at the pole. Other solutions are available if power at pole is switched or exceeds 240V. End user to supply electrical connections.

Configure to existing NVR and VMS.

See plan for details.
