Dear Jean,

Racine Urban Garden Network (RUGN) is an organization created to promote urban gardening and community gardens in the Racine area. This organization is currently operating under the auspices of Racine Kenosha Community Action Agency (CAA), which serves as its fiscal agency. RUGN is requesting permission to use city property located at 734 S. Marquette Street for a community plot garden. Enclosed please find a proposed site plan, a copy of the Memo of Understanding between RUGN and CAA, and a list of members of the RUGN Steering Committee. Please contact the undersigned if you require any further information.

Sincerely,

Lynne Leithleiter
