Re: Professional Services Agreement for Contract 19-14 (K4-019) – PS – City Hall Annex Fire Alarm

We have received a Professional Services Agreement from Strang, Inc. for a new addressable fire alarm and detection system to replace the existing system presently in use.

The agreement is in the not-to-exceed amount of \$19,000.00. Funding for this agreement is available in Account 994.200.5020, Annex-Upgrade Fire Alarm.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
