

BOARD OF HEALTH MEETING
September 13, 2011

DEPARTMENT: Environmental Health

PREPARED BY: Marcia Fernholz, Director of Environmental Health

MONTH: August 2011

Highlights

Date	Meeting	Purpose	Outcome
August 15, 2011	Preparedness Capabilities Assessment Training webcast with the Wisconsin Division of Public Health	To learn how to access and complete the online preparedness capabilities assessment.	The Preparedness Capabilities Assessment is a local contract objective to be completed by all Local Public Health Agencies by December 31, 2011. These assessments will be conducted to address the 15 target capabilities, functions, tasks, and resource elements identified in the Centers for Disease Control and Prevention's (CDC) Public Health Preparedness Capabilities: <i>National Standards for State and Local Planning</i> . The assessments will provide Wisconsin with baseline data, according to CDC's Standards, to measure preparedness improvements, make decisions, and create effective preparedness plans. This was a necessary and helpful meeting.
August 29, 2011	Medicine Collection Day with the Central Racine County Health Department	Discuss Medicine Collection Day for October 15 th	Changes to data that will be collected from participants during the next Medicine Collection Day were made and other issues related to the flow of the event were discussed. This was a useful meeting.
