In re: Contract renewal

Dear Tom

I would be more than happy to continue with the service on all the elevators for the City of Racine under the same contract we have been working under. We have not had a price increase in a couple of years. If it would be acceptable, I would like to add 4% on to the total for all of the elevators combined. I thank you for your consideration.

The above paragraph is from the letter I sent last year. As we discussed on the phone I somehow forgot to add and invoice the new increase after getting approval last year. If it is agreeable I will use that same figure for this year and not have another increase. Sorry about the confusion.

Thank you,

Bob Young
