Assistant Commissioner of Public Works/City Engineer

Re: Two Party Agreement, City of Racine & AECOM – Contract 03-14 (K4-003) -
Lake Michigan Pathway Phase 3 - ADA Ramp

We have received a Professional Services/Two-Party Agreement from AECOM for the design of the ADA Ramp for Lake Michigan Pathway Phase 3. WisDOT has recommended that an ADA ramp be installed at the proposed beach overlook along the Lake Michigan Pathway Phase 3. The design and inclusion of these plans and specifications were not part of the original three-party agreement between WisDOT, the City of Racine and AECOM.

Construction plans sufficient for developing final design of ramp, specifications and cost estimate will be developed from the proposed ADA ramp located at the beach overlook on the north segment of the Lake Michigan Pathway Phase 3. This will include:

- ADA compliant layout of boardwalk
- Preliminary design and concept research to ensure feasibility
- 1-page plan view layout
- Special provisions
- Cost estimate

The agreement is in the not-to-exceed amount of \$4,821.06. Funding for this agreement is available in Account 992.908.5620 – Lake Michigan Pathway Phase 3.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
