Subject: Acceptance of an Incentive Check from Focus On Energy for Grant
Application No. 17061

Beginning in late 2009 through April 2010, the City of Racine retrofitted nearly 900 HPS street lights with LED fixtures. The annual energy savings is estimated at over \$47,000. In addition, the City of Racine will receive an incentive check in the amount of \$28,122.00 from Focus On Energy for Grant Application No. 17061 for this work.

The appropriate action would be to accept this incentive check from Focus On Energy for these retrofits and deposit it into Account 256.000.6010, Focus On Energy Rebates.
