Mayor John Dickert and Racine Common Council
City of Racine
730 Washington Avenue
Racine, WI 53403

Dear Mayor Dickert and Common Council,

Plans for the 2013 Thirty-fifth Annual Lighthouse Run are well under way. The race is scheduled for **Saturday, June 15, 2013** starting at 7:45 AM on Lake Avenue in Racine. We request the City's support of the race and post race activities, which were held on Monument Square and Sam Johnson Parkway this past year.

In previous years, the City and departments helped make the race a huge success. We require the cooperation of Public Works, Police, Fire, Transit and others. The route will be the same as previous years. We will need full or partial street closings including: Lake Ave, North Main, Dodge, and Michigan Blvd, Wolff Street, Sam Johnson Parkway and perhaps others. The exact details of the streets to be closed and the route can be discussed in the appropriate committee meetings. The finish line will again be on Main Street and we have requested the use of Monument Square and Sam Johnson Parkway from Parks, Recreation & Cultural Services. There will be one course change (out of the city limits) where we will be reversing the course around Wind Point.

Please refer this communication to all appropriate committees for action and inform me of these meeting dates. If you have any questions about the Lighthouse Run, please feel free to contact me. We thank you for your support.

Sincerely,

Peter Henkes
