

**GRANT / CONTRACT COMMUNICATION REPORT: October 2025**

Legislative File # and Agenda Dates	Grant / Contract Title	Supporting / Funding Source	Description	Amount	Match	Grant / Contract Duration
<b>0981-25</b>  <b>CC:</b> <b>10/07/2025</b> <b>F&amp;P:</b> <b>10/13/2025</b> <b>CC:</b> <b>10/21/2025</b>	WI Department of Health Services – Division of Public Health (WI DHS-DPH) Childhood Lead (Consolidated)	State Funding	The proposed lead grant funding will support comprehensive nursing follow-up services for residents of the City of Racine. This includes nurse home visits for children with confirmed blood lead levels of 10 micrograms per deciliter or higher, as well as phone-based education and informational mailings to parents of children with blood lead levels between 3.5 and 9.9 micrograms per deciliter. Additionally, nursing and environmental interventions will be provided to children with lower-level lead exposure to prevent further exposure and reduce the risk of severe lead poisoning.	\$25,456.00	No City Match	01/01/2026 – 06/30/2026
<b>0982-25</b>  <b>CC:</b> <b>10/07/2025</b> <b>F&amp;P:</b> <b>10/13/2025</b> <b>CC:</b> <b>10/21/2025</b>	WI Department of Health Services – Division of Public Health (WI DHS-DPH) WI Well Woman Program (WWWP) - NBCCEDP & GPR EDU & MJA (Consolidated)	State Funding	The Wisconsin Well Woman Program (WWWP) Grant Agreement funding supports vital breast and cervical cancer screening services, along with necessary referrals, follow-up care, and patient education. The program targets low-income, uninsured or underinsured women aged 40-64, particularly those from populations with high rates of late-stage breast cancer diagnosis and high mortality rates. It also serves women ages 35-39 and over 65. The funding will support efforts to ensure all clients receive timely diagnostic tests and appropriate follow-up care following abnormal screenings.	\$5,538.00 & \$132,713.00 = \$138,251.00	No City Match	07/01/2025 – 06/30/2026

<b>0983-25</b>  <b>CC:</b> <b>10/07/2025</b> <b>F&amp;P:</b> <b>10/13/2025</b> <b>CC:</b> <b>10/21/2025</b>	WI Department of Health Services – Division of Public Health (WI DHS-DPH) Preventive Health & Health Services (PHHS) (Consolidated)	State Funding	This grant supports efforts to enhance internal and external communication processes, develop or update social media strategies, and disseminate public health information across various platforms. It also aims to strengthen engagement with local health partners to improve the availability of and access to health services.	\$11,818.00	No City Match	10/01/2025 – 09/30/2026
<b>0984-25</b>  <b>CC:</b> <b>10/07/2025</b> <b>F&amp;P:</b> <b>10/13/2025</b> <b>CC:</b> <b>10/21/2025</b>	WI Department of Health Services – Division of Public Health (WI DHS-DPH) Immunization (Consolidated)	State Funding	This agreement supports efforts to increase immunization rates among children (≤18 years of age) during the period of July 1, 2025, through June 30, 2026. In response to declining vaccination rates, LHDs will be focusing on improving compliance with school immunization requirements and/or targeting specific populations to raise vaccination rates. To achieve the vaccination goal, staff will contact parents or guardians of unvaccinated children, tracking immunization data, coordinating and sharing information with physicians. Additional activities include assisting schools with annual immunization compliance reporting and implementing community-specific outreach strategies. The data will be entered into the Wisconsin Immunization Register (WIR).	\$33,677.00	No City Match	07/01/2025 – 06/30/2026

<b>0992-25</b>  <b>CC:</b> <b>10/07/2025</b> <b>F&amp;P:</b> <b>10/13/2025</b> <b>CC:</b> <b>10/21/2025</b>	WI Department of Health Services – Division of Public Health (WI DHS-DPH) Mike Johnson & Early Intervention Services	State Funding	Funds will support the activities of a Public Health Educator/PrEP (Pre-Exposure Prophylaxis) Navigator, who works directly with clients to enroll them in PrEP services. PrEP is a class of medications that, when taken as prescribed, significantly reduces the risk of acquiring HIV through sexual contact or injection drug use. The funding will also help cover the cost of required laboratory testing for uninsured individuals accessing PrEP services. Promoting PrEP to priority populations, providing PrEP navigation, and ensuring access to necessary lab work are key strategies to ending the HIV epidemic in both Wisconsin and the United States.	\$95,282.00	No City Match	07/01/2025 – 06/30/2026
<b>0993-25</b>  <b>CC:</b> <b>10/07/2025</b> <b>F&amp;P:</b> <b>10/13/2025</b> <b>CC:</b> <b>10/21/2025</b>	WI Department of Health Services – Division of Public Health (WI DHS-DPH) Maternal Child Health (MCH) (Consolidated)	State Funding	The City of Racine will utilize the funding to reduce infant mortality in partnership with community organizations. The plan targets unmet social service needs of pregnant and recently delivered individuals, aiming to reduce disparities and improve access to essential resources. Activities will focus on enhancing community engagement, refining outreach messaging, and ensuring that families and community members are actively involved in supporting infant mortality prevention efforts.	\$48,760.00	City match required: \$40,260 (75%). This match will be met through the City of Racine’s contribution of staff time, administrative oversight, and reporting responsibilities.	01/01/2026 – 06/30/2026
