Re: Contract 20150060, PS – Shoring and Retaining Wall System Construction Inspection –
Lake Michigan Pathway, Phase III

We are submitting a proposal from AECOM, for the above contract. The scope of services includes providing reviews and approvals of submittals as detailed in the special provisions, attend the pre-construction conference, provide part-time inspection of proposed retaining wall located on Michigan Blvd. at August St., confirm that contractor has provided the appropriate testing of materials installed for all proposed retaining wall according to the requirements and specifications, review and approve of all contractor submittals regarding the proposed retaining wall, provide inspection reports and note the schedule of work to make sure there is adequate lead time for the construction.

The agreement is in the not-to-exceed amount of \$13,451.00. Funding is available in Org-Object 45040-57550, DPW – Pathways.

If the Committee agrees, the appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
